

## What is the Luke Commission?

The Luke Commission (TLC) offers hope to HIV/AIDS-ravaged Swaziland in southern Africa. TLC mobile clinics take compassionate healthcare to those who cannot reach medical facilities because of poverty, lack of transportation, and meager resources. As the hands and feet of Jesus, The Luke Commission extends the free gift of salvation to each patient.

4 free tickets to the annual Luke Commission Gala and Auction			✓

## What is the Compassion Care Team?

For just pennies a day, you become a part of the Compassion Care Team. As a committed friend giving regularly and generously, you multiply the impact of The Luke Commission. This allows HIV-positive parents to live another 10 years, provides precious eyesight to thousands who have never seen the intricate details of God's creation, and offers eternal life in Christ to those whose life expectancy is just 32 years.
